

Press Release

June 1, 2020

Due to the global Pandemic, this year's *Art Sunday* has been canceled by the Scottsboro Three Arts Club. The event was scheduled for Sunday, September 6, 2020 at King Caldwell Park. While we regret the cancellation of *Art Sunday*, the health and safety of our community, vendors, patrons, and volunteers are our top priorities. We also recognize the economic strain that our business and community sponsors who financially support *Art Sunday* are currently experiencing.

This would have been the 47th year that the Scottsboro Three Arts Club has sponsored the community event that includes art and entertainment. Proceeds from *Art Sunday* are always used to support local education and other community projects.

We look forward to seeing everyone at next year's *Art Sunday* which is scheduled for
Sunday, September 5, 2021.
